### EXHIBITION

***Pale, Poured, Political*  
H. Ward Miles**

**November 3 - December 1**

H. Ward Miles' work is an attempt to take a world that can be so negative and find the light, bright beauty of our fragile existence. Her work focuses on our great joys--love, parenthood, ambition and community-- and our great sorrows--personal sacrifice, politics, social injustice-- and works to accurately depict a big, messy life containing both.

\*Exhibitions may not be on view during private Artsgarden events.
